Things in Philadelphia.

pondence of The Tribune. This has been one of the most delightful days of the session and every thing indicates an active spring business. The number of arrivals was yesterday large, causing quite strivalong the Delaware point of the cuty. Since besurdey morning, there has been an increased demand for Flour, and about 2000 bels, have been sold at \$4.75 for common brands for shipment. Grain is inactive, sone arriving. Rye Flour is scarce at \$3.50 per bel.

The weavers generally, after a strike of five recks, resumed work to-day without accomplishing their chief. With starvation staring their families in the face there was not much activity at the Stook Board to-day, and the fancies were heavy. The changes, however, were not material. Heading was firm.

The bill market is steadly, but there is not a great deal doing. Sterling is \$3.29; Franca 5.27; 25.26.

The Atlantic Bank of Brooklyn has declared a dividend of three and half per cent. for the last six months, payable on the 16th inst.

The Equitable Safety Insurance Co. of Boston, have declared a dividend of 6 per cent. upon their issues to fact the strong was not much activity at the Stook Board to-day, and the fancies were heavy. The changes, however, were not material. Heading was firm.

Sants's Sarsaparilla.—The blood contains the elements of the whole animal structure—fisen and faire, glains, muscles, t-unions, the natis, the nair, and even the bones themselves, are all satisfaired by the blood. Well then may it be tailed the stream of life. In proportion to the purity of the flad whit'se that of the substance into which it is continually changing. Corrupt blood, instead of producing healthy fest, is itsely enough to develop sores and alicers. When then sheet appear, whether in the specific form of servofula, abstending the continual to the continual the believed, that will so rapidly neutralize the virus in the blood from which they spring, as Sande's Sarsaparilla.

Propored and solid, wholessie and rettail by A. B. & O. BANDS, Wholessie Druggiess, 7. Sultance, 173 Broadway, 2nd 71 Sarsa Broadway, New-York. Sold also by Druggies generally throughout the United States. Price \$1 per bottle, or six bottles for \$5.

Common chark destroys the sain,
Makes it coarse and rough as sin;
But Jones's Spacish Lily White
Makes the skin smooth, and clear, said bright,
Gives it that matural, life-like, matche look,
More smooth and beautifut than artist ever took.

Soid at \$2 Charkminet or \$21 Broadway, N. Y. or
like Fulton'st, Brooklyn. Price 25 cts. mp 2 needs

You with chap'd bands and face,
Or pumpies, brockles, sait thetin, scurvy,
And dark yellow, or disfigured skin,
If it you give this atticle is fair tial, you are assured it
will give you's clear, smooth skin and complexion, and cure
you at any of the above aliments. There are hundrels who
have been thus benefited by one single case of Jones's
Italian Chemical Soap. Just by it. Soid at the skin of the

In relation to Corn shipments, the New-Orleans

The English practice is to measure corn by the quarter, a quarter being 480 lbs, net, weight of shelled Corn It is now rated 33 to 34 shillings stering the quarter, in band at Liverpool. The New-Orleans measure is 52 lbs, gross weight to the bushel; the bushel rated on Saturday at 50 cents. Corn freights to Liverpool are 11 to 12 pence sterling, the New Orleans bushel. The result of a shipment, under the above quotations, would be as follows:

Total 0 79
sale of a bushel of Corn in Liverpool, at the rate of
33a, 63. P 480 bs. (or 94 bushels) establishing
Sterling Exchange at 64 P cent. 0 855

THE GREAT OANADIAN REMEDY.

WYNER'S PECTRAL SYRUP

Of Hoarhound and Elecampans,

Until VALED for the cure of coughs, coids, sathma, spitpierrisy, consumption, and all diseases of the lungs.

Bronchitis, a disease that is sweeping thousands to a premanure grave under the facilitious name of consumption, can
be cured by the use of this medicine.

For several years past this medicine has been in use in
Causda, where it has become universally known, and is
considered the best medicine on use for all pulmonary discases. The great success which has attended its use in
that country, and the many truly wonderful cures which
have been effected by it, has induced the proprieturs to introduce it into the United States, confident of its being the
most age and valuable remedy ever discovered, and adapted to all diseases of the lungs when any of the tumotous do
not perform their matural or healthy action, exerting a most ed to all diseases of the lungs when any or the functions do not perform their natural or healthy action, exerting a most grateful and soothing influence over the functions of the whole system, diminishing excitement when axcessive, all any ing irritation, soreness and pain, and speedily imparting enewed rigor and elasticity to the whole frame. Prepared by Join Where & Co. 33 Maiden-lane, N. York, sole proprietors for the U. S. and sold by druggists generally throughout the country.

WILDER'S PATENT Salamander Saies —There can be no greater evidence of the superiority of the genuine Wilder's Patent Salamander Safe than the fact of the insbitty of other Safe makers to invent anything new or make any improvement upon their old inventions by which they dare risk the regulation of their Safes to a fair and equal they dare risk the regulation of their Safes to a fair and equal trial with Wilder's Patent Salamander. The late sittempts made to destroy one of Wilder's Safes, by making another Safes made to convince every mane (with while take the trouble to investigate the subject) of the superior fire-proof qualities of Wilder's Patent Safes. Another (to the subscriber very pleasing) evidence of the high estimation in which the public hold Wilder's Patent Safes is the increasing demand—to meet which he has enlarged his factory and applied steam power machinery, which renders it the most extensive establishment of the sind in the United States, and will enable min to furnish the best ringle or deable Safamander Safes to the public.
